MARINE COMMERCIAL EXTENDED COVERAGE - CONDITIONS AND TERMS

This Extended Coverage commences after the first year of the Volvo Penta limited warranty and extends the coverage benefits described therein. It applies only (a) to packages that qualify and are registered for the Volvo Penta limited warranty ("limited warranty"); and (b) to engine packages that are maintained as prescribed in the operator's manual. The Extended Coverage is transferable to subsequent owners during its term. Submission of the Warranty Registration Form or other suitable dated proof of purchase is required for registration and to obtain coverage. Extended Coverage may be purchased up to ninety (90) days following warranty registration. Written proof of maintenance according to the prescribed schedule is required for Extended Coverage benefits.

Any part of the Volvo Penta engine or power package that is found in the reasonable judgment of Volvo Penta to be covered by the benefits of this Extended Coverage will be repaired or replaced at Volvo Penta's option. If a problem occurs, the owner must bring the product to an authorized Volvo Penta Service Dealer in a timely manner. All repairs (except for those listed under What is Not Covered by the Extended Coverage) will be made by an authorized Volvo Penta Service Dealer at no charge during the Extended Coverage period. Repairs will be made within a reasonable period of time during the dealer's normal business hours. Parts replacement will be made using genuine new or remanufactured Volvo Penta parts, at Volvo Penta's sole election. Volvo Penta's responsibility with respect to Extended Coverage claims is limited to making the required repairs or replacements. All parts will be shipped via standard ground methods. Assemblies or parts provided under this Extended Coverage assume the identity of the assembly or part being replaced, and are entitled to the remaining Extended Coverage only.

THE REPAIR AND REPLACEMENT REMEDIES DESCRIBED IN THIS EXTENDED COVERAGE STATEMENT ARE THE OWNER'S SOLE AND EXCLUSIVE REMEDY. IN NO EVENT SHALL VOLVO PENTA BE LIABLE FOR ANY INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES, INCLUDING LOSS OF PROFITS. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

Owner's Responsibility

As the Volvo Penta engine owner, you are responsible for the performance of the required maintenance listed in your operator's manual. Volvo Penta recommends that all service and maintenance work be performed by a Volvo Penta authorized servicing dealer. You must retain all receipts covering maintenance on your engine. This record of proper maintenance may be required to determine warranty coverage on certain repairs and should be transferred to each subsequent owner. Volvo Penta may deny coverage if your Volvo Penta engine or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications. You are responsible for presenting your Volvo Penta product to a Volvo Penta authorized dealer as soon as a problem exists and use all reasonable means to protect the product from further damage. The warranty repairs will be completed in a reasonable amount of time.

By letting a Volvo Penta authorized servicing dealer perform the prescribed maintenance of your engine you can be sure that the Extended Coverage will be valid for the entire period.
